ACTIVITIES

What a "Mice" Day . . .

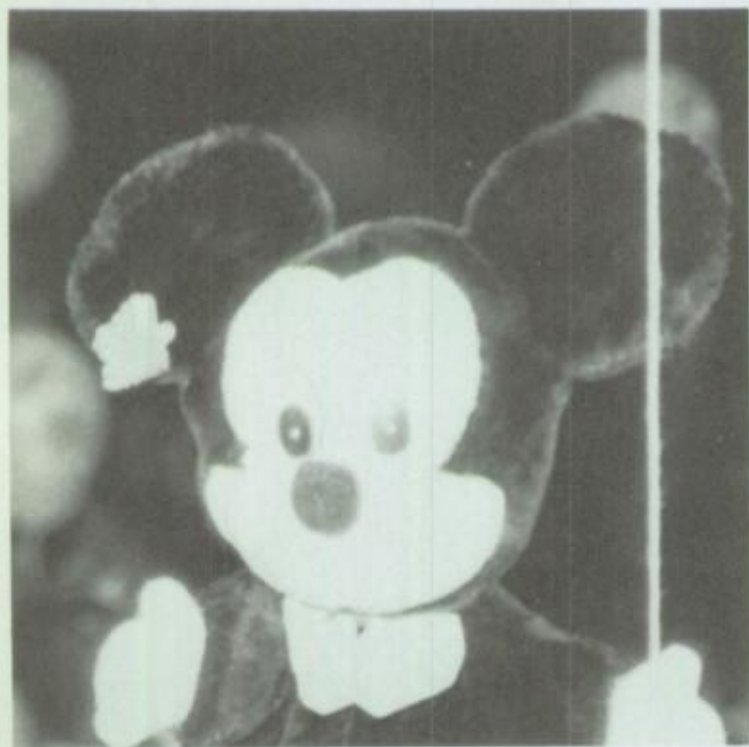

Freshmen Welcome

On September 9, 1985, a class of ordinary 9th graders began a new page in the history of VMA, totally unaware of the fact that in a few short weeks they would be entering the "**Mouse Zone**"

Their everyday school life of classes, quizzes and homework became entangled with intrigue and mystery as they began receiving anonymous friendly notes and small gifts.

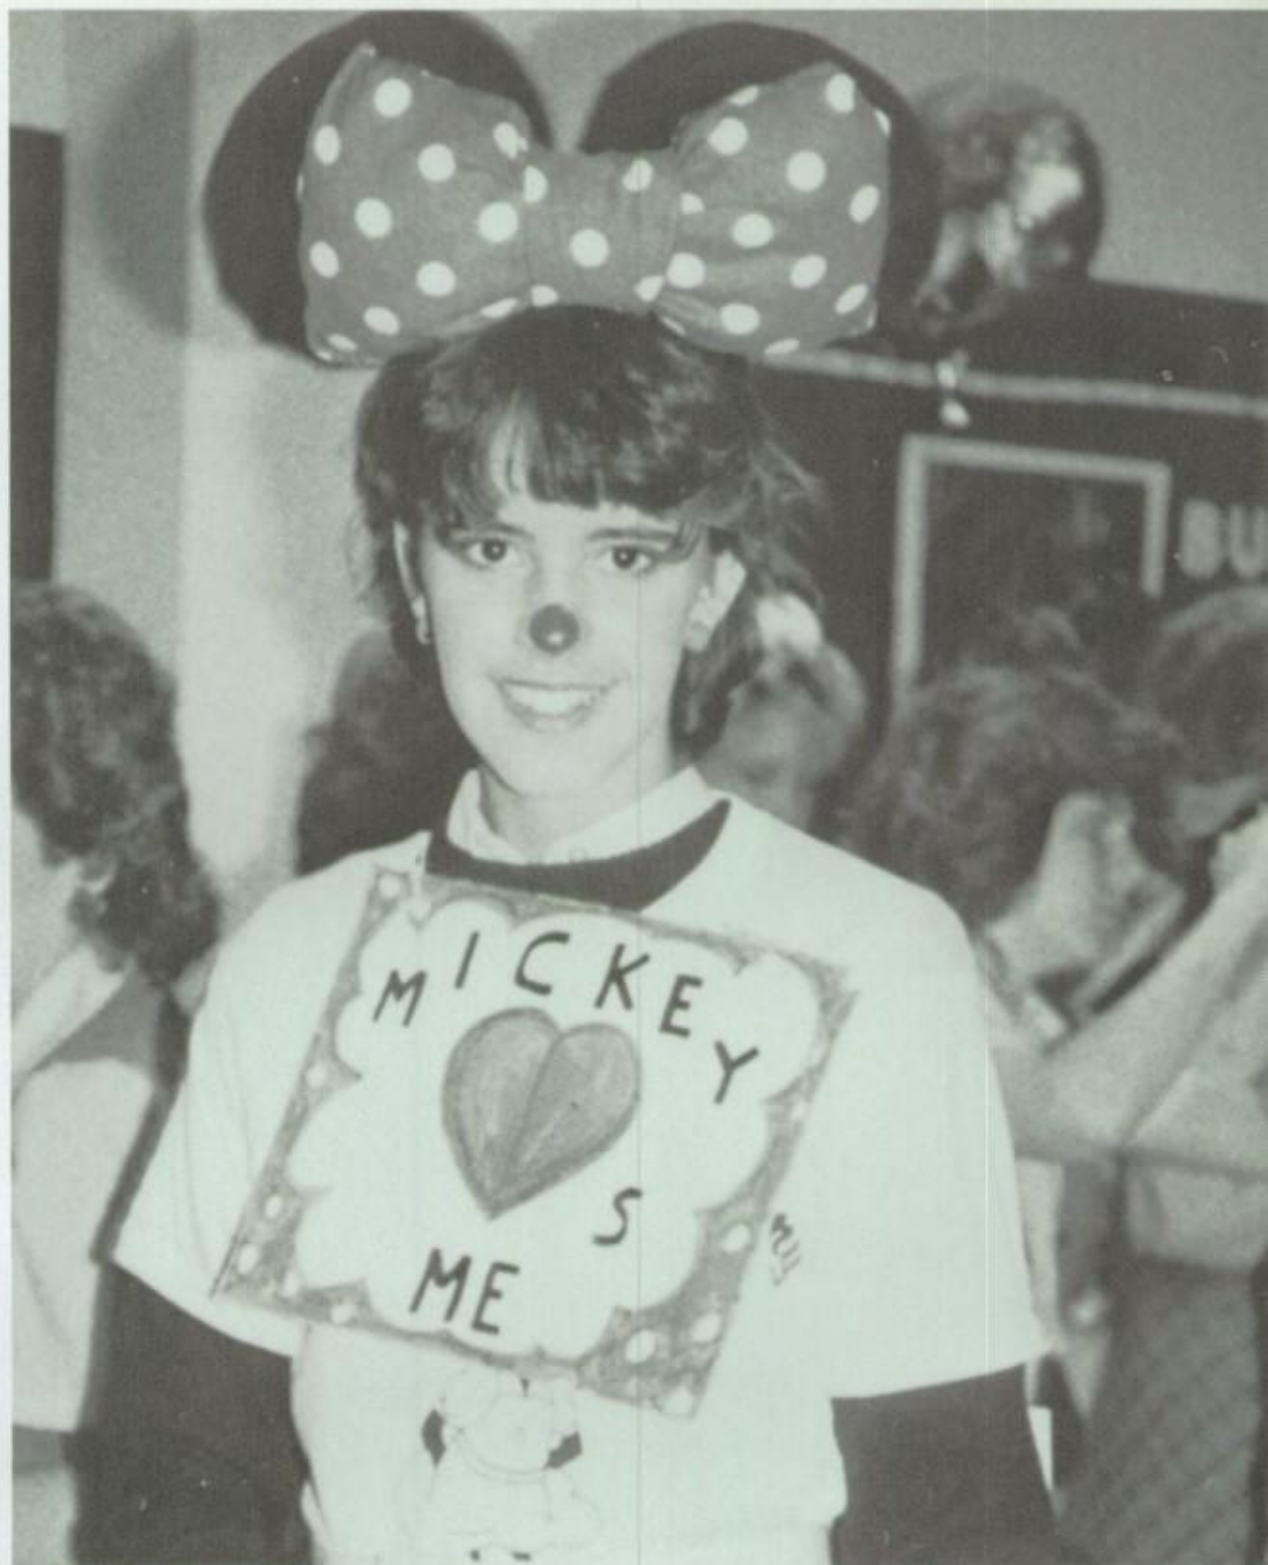

Unexpectedly, on the morning of September 26th, the seasoned Seniors invaded Freshmen Homerooms where the transformation from "generic" Freshmen to "**Minnie Mice**" took place. Soon black ears, rosy cheeks, long tails and hand-made "**Minnie Mouse**" costumes abounded.

The magical moments had once again taken place . . . ordinary, run-of-the-mill, generic ninth graders were now officially "**Villa Freshmen**" formally "**initiated**" into the Villa family.

Open House - 1985

Villa Maria Academy hosted its annual *Open House* for prospective Freshmen and their parents on Sunday, September 29, 1985. The Sophomore Class capably and graciously planned the event and provided for hospitality.

 right: "No, you can't go in without bathing caps!" warns **Mrs. Reczek**.

Juniors Receive Class Rings

A candle light reception followed the *Ring Liturgy* on Saturday evening, October 19, 1985. This class of Juniors, as have dozens of classes before them, shared in a tradition much cherished by every Vilmarian.
